Westmount QC, H3Z 1A4.

To whom it may concern,

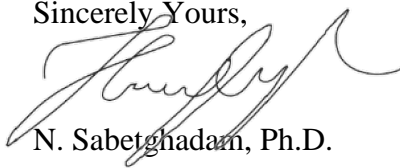

It is a great pleasure for me to write this letter of recommendation for Miss Helia Gol Mohammadi to support her application for Lea Roback Foundation Scholarships. She was one of my students in my “Linear Algebra” course, in the Fall semester of 2020 at Dawson College.

Helia was extremely conscientious about her work and showed a great deal of perseverance in learning new materials. Because of her hard work, she consistently scored in the top ten percent on all the exams and she got the highest final mark in my course . Her work demonstrates an attention to details and ability to integrate new topics. She also has a combination of positive attitude and being modest beside of her hardworking and talent.

I would believe that Helia’s commitment to pursue her education and her hard work in pursuing her goals will serve her well in her future scientific endeavour. I am sure that your scholarship will be a great help for her to achieve her goals.

Please do not hesitate to contact me should you have any questions.

Sincerely Yours,

A handwritten signature in black ink, appearing to read 'N. Sabetghadam', written in a cursive style.

N. Sabetghadam, Ph.D.
